

## Job Fair in Bangalore | Campus France | July 8th

23 juin 2017

The French Embassy in India along with the Indo French Chambers of Commerce and Industry is organizing in Bangalore the second edition of Job Fair, on July 8th 2017. This gathering is occurring in continuation of the launch of our France Alumni Bangalore Chapter in January, considering the strong presence of our Alumni in the southern part of India.

Our goal is to build a bridge between alumni and French companies located in India, as well as provide information to our alumni community to help them reach out to French companies located in India.
